ABOUT US

Founded in 2011, we are an experienced trading company concentrating on daily-use ceramic tableware.

Drawing on more than a decade-long industry expertise, we maintain an extensive library of in-house designs covering dinner sets, plates, bowls, mugs and a full range of home tabletop articles. Beyond our existing collections, we deliver flexible OEM and ODM customisation, adapting shapes, glazes, decals and packaging to match clients' brand positioning and market expectations.

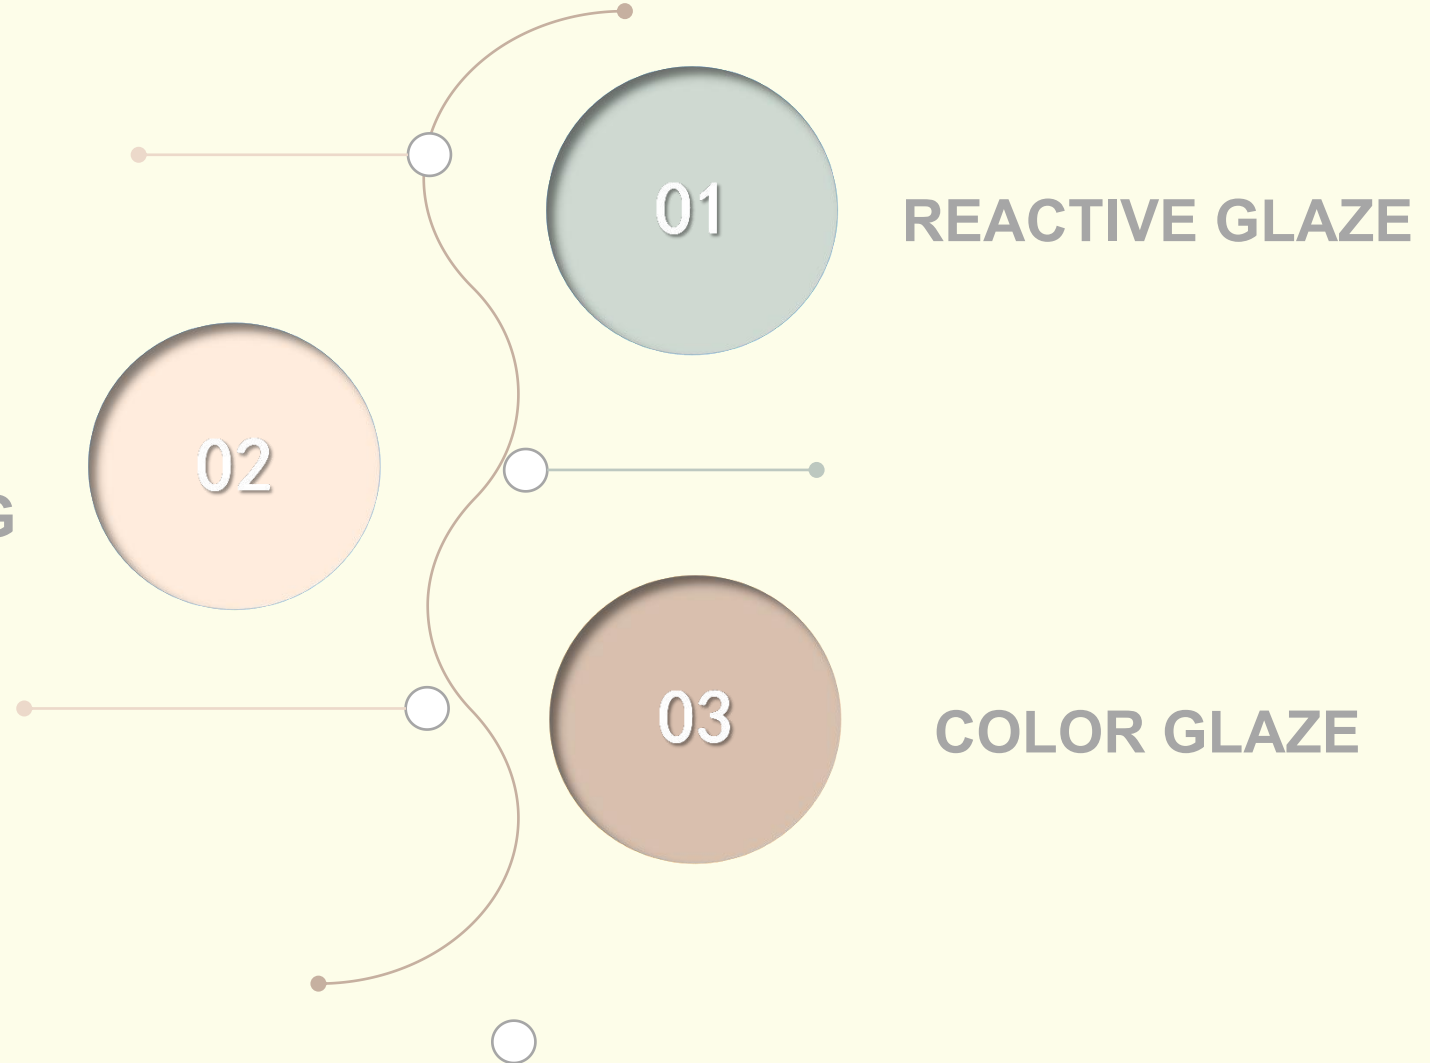

We work closely with qualified production partners and implement rigorous quality control throughout every production phase. Our dedicated project team provides full-cycle order follow-up, from initial inquiry, sample development, production monitoring all the way through shipment coordination and after-sales support.

Committed to reliability and customer satisfaction, we keep close communication at every step and aim to build stable, long-term win-win partnerships with global wholesale and brand clients.
